

Overview of 2023 Admission Process for Privately-Funded International Students

International students are exempted from the Common Test for University Admissions. The result of the Examination for Japanese University Admission for International Students (EJU) administered by Japan Student Services Organization (for those who are applying for the School of Science and Technology, a score on one of the following tests taken in or after January 2021 is also required: TOEFL-iBT, TOEFL-ITP (administered by Gunma University), TOEIC Listening&Reading Test, TOEIC-IP (administered by Gunma University) or IELTS) as well as an academic achievement test individually administered by each department and academic transcripts are comprehensively evaluated.

Note : Education is offered in the same manner to international students and students enrolled through special or general admission process

Gunma University Timeline of Admission Process

In addition to above admission processes, our university admits transfer students (except for Cooperative Faculty of Education).

Admission for Privately-Funded International Students

Applicable department/ school/Cluster	Cooperative Faculty of Education	Faculty of Informatics	Faculty of Medicine		School of Science and Technology																																																														
			School of Medicine	School of Health Sciences	Cluster of Materials and Environment Cluster of Electronics and Mechanical Engineering																																																														
Number of students accepted	A few for each major	A few	A few	A few for each major	A few for each Cluster																																																														
Qualifications	<p>Applicants who meet the following criteria may apply</p> <ol style="list-style-type: none"> Applicant who is not Japanese citizen, and holds or is expected to have resident status that does not prevent from entering into university under provisions in the Immigration Control and Refugee Recognition Act, except for those who are allowed permanent residency in Japan (Note 1). Applicant who meets one of the following <ol style="list-style-type: none"> Applicant who has completed or plans to complete all the requirements of a 12 school year education system in foreign country by March 31, 2023 or has equivalent requirements as certified by Ministry of Education, Culture, Sports, Science and Technology Applicant who has obtained one of the following qualifications : International Baccalaureate (awarded by the International Baccalaureate Organization), Abitur (designated by the Federal Republic of Germany), Baccalaureate (designated by the French Republic), or General Certificate of Education Advanced Level (awarded by the United Kingdom of Great Britain and Northern Ireland) Applicant who has completed or plan to complete the standard 12 school year curriculum by March 31, 2023 at educational institutions certified by international accreditation bodies (WASC, ACSI, CIS) selected by the Minister of Education, Culture, Sports, Science and Technology. Applicant who has taken the high school equivalence test individually administered by our university, and is determined to possess academic background equivalent or superior to high school graduate (Note 2).
